

## **March Madness Food Drive**

The Department of Revenue invited its Helena employees to participate along with other state agencies and public employees in a March Madness Food Drive, which will benefit [Helena Food Share](#). The food drive will run from March 11 through March 29. We invite the public to drop off donations at either Helena Food Share or most state agency offices.

Helena Food Share has been noticing a record-breaking number of households registering for assistance. Your donations will help Helena Food Share provide for these families, and every can of food makes a difference. As always, Helena Food Share accepts monetary donations, and every dollar donated equals one pound. All food and money will go directly to Helena Food Share.

Items most needed are canned goods, tuna, peanut butter, macaroni and cheese, and healthy cold cereals. Any nonperishable items are also appreciated.

If you have questions, please contact [Shelly Clinch](#), at 444-4324 or [Terry Hutton](#), at 444-7315. Shelly and Terry are the March Madness Food Drive coordinators not only for the Department of Revenue, but also for the local state agencies and public employees.
